THE BEST SUMMER
EVER
STARTS AT THE
YMCA CAPE COD

Dear YMCA Camp Family,

Whether this is your first summer here, or you have been with us for years, we want to welcome you to YMCA Cape Cod Summer Camps! Our staff are hard at work putting together a fun, safe program filled with new experiences.

As your child takes a break from school, they look forward to spending time with their friends and being outside. Day camp is the perfect opportunity to do both –as well as learn life skills, try new activities, and be part of a community where they can be themselves. Varying daily activities, such as archery, crafts, dance, sports, and swimming, help assure a great camp experience for everyone. With the encouragement and guidance of our trained staff, children will boost confidence, self-esteem, and social skills, all while having fun in a safe environment!

Welcome to the YMCA Cape Cod Camp Family!

Sincerely,
YMCA Cape Cod Camp Directors

OUR CAMP PHILOSOPHY

YMCA camps offer a taste of everything! Our camps offer a new experience each week with focuses on STEM, cultural appreciation and the Arts!

Today day camp is more vital than ever. To deliver on the Y's commitment to nurture the potential of every child and teen, day camp programs now intentionally foster achievement relationships and belonging. All of which are essential dimensions of well-being.

ACHIEVEMENT

Discovering skills. Campers experience achievement when they try different activities, learn what they like, and discover what they are good at!

RELATIONSHIPS

Building friendships. Campers have the opportunity to form healthy relationships with other children, caring adults, and role models, which helps them feel good about themselves and learn to get along with others.

BELONGING

Finding a place to belong. Campers connect through significant camp traditions and rituals that create a sense of belonging so they feel included, accepted, and part of a community.
