20-10 – Tabata workout which is an intense 20 second workout, with 10 second rest. This class will increase heart rate, make you sweat and give you a super fun workout.

Alignment Yoga- All levels and all ages, This class focuses on restoration of posture, pain relief, and spinal straightening.

Aikido – Beginning Aikido is a Japanese martial art that helps you discover your power and control within. Aikido increases strength and flexibility and gives you confidence. It does not rely on power and strength, just self-control.

Body Sculpt – A 60 minute total body workout using a variety of fitness equipment and light cardio to get your heart pumping.

Bootcamp – “Non-Aerobic” class integrates functional movements performed at high intensity for max results.

Beginners Guide to Moving Stronger- Learn the classic strength training moves and methods of progressive bodyweight training. This general bodyweight superset program develops your “pillar,” or core strength, increases lean muscle, improves mobility and coordination that will take your workouts to the next level.

Energize Step – A total combo class of cardio interval using steps or kickbox moves or both! Mixed with sculpt intervals to strengthen and tone.

EnhanceFitness - Designed to help seniors strengthen muscles, improve movement in joints, increase flexibility and balance, and enhance heart and lung function. We use light weights, flexbands, music, dance, and humor to foster a fun atmosphere to motivate participants to improve their vitality and enjoyment of Life.

Funky fitness – A class for seniors emphasizing balance/fall prevention, stretching, and strengthening exercises to increase muscle mass and deter osteoporosis.

Fitness Chair – This class will build strength, improve range of motion, improve balance and flexibility. The class will utilize dyna-bands, resistance tubes, and weighted balls in a variety of exercises to improve overall health and well-being.

Half and half – Half easy to follow but challenging cardio followed by half muscle conditioning using a variety of fitness equipment.

Hardcore– This class is designed to improve strength and stability. It will improve overall balance and stability for your everyday health and well-being through functional movements performed at high intensity for max results.

Kripalu Yoga is a hatha yoga geared for all levels with an emphasis on breathing to connect the mind and body. It stresses individualizing one's experience by listening to the body and practicing self-observation without judgment.

Live Life Yoga – This class is specially designed to help with such ailments as arthritis, back pain, headaches and sleep problems common in the over 50 crowd. Meets in Xergames Room.

Low Impact Aerobics – This low impact, calorie-burning workout will have your toes tapping and your heart pounding. This class combines classic aerobic moves with creative circuit training for all over body toning.

Nia Interval Dance – A dynamic cardiovascular workout combining dance, martial arts and yoga mixed with intervals of strength. Improve mobility, flexibility and balance while having fun to soul-stirring music.

Pilates – This hour-long class focuses on breathing, technique and postures created by Joe Pilates. Beginner and advanced all welcomed.

Power Yoga Flow-A Vinyasa flow designed to build strength, improve endurance, and increase overall flexibility while getting in a great sweat session. Welcome to all levels, Power yoga is a heated class with temperatures between 70 and 80 degrees.

Power Hour/Powersculpt – This is an overall body-toning program with concentration on the large muscle groups.

Restorative Yoga - A gentle flow class that incorporates a series of classic yoga poses with breath work and mindfulness. Focus on building strength and flexibility through proper alignment and your own body weight.

Stretch & Restore: A restorative stretching class to increase flexibility and decrease muscle tension in the body. A blend of static stretching, Yin yoga sequences and meditation will be used to achieve results.

Vitality Stretch – Participants will gain flexibility, freedom from pain, strength, balance and stress reduction, as well as many other benefits.

Yoga Sculpt – Take the poses of traditional yoga and add sculpting work with weights – this is a challenging class that will build strength and keep you flexible.

Yoqua - practicing Yoga in warm water: the class benefits from the water's buoyancy, resistance and soothing warmth while safely moving with ease and comfort. Yoqua addresses balance and stability, lengthens and strengthens muscles and improves overall stamina. No Yoga experience or knowing how to swim is necessary.

Zumba– We take the "work" out of workout, by mixing low-intensity and high-intensity moves for an interval-style, calorie-burning dance fitness party.

Zumba Toning – When it comes to body sculpting, Zumba Toning raises the bar! It combines targeted body sculpting exercises and a high energy cardio workout with Latin infused Zumba moves to create a calorie-torching, strength-training dance fitness party.

Zumba Gold - Active older adults who are looking for a modified Zumba class that recreates the original moves you love at a lower-intensity. The design of the class introduces easy-to-follow Zumba choreography that focuses on balance, range of motion and coordination
