CAMP WEST BARNSTABLE

CAMP ACTIVITIES

We offer a taste of everything at West Barnstable Day Camp. Our summer is built of camps offering a new experience each week, with focuses on STEM, cultural appreciation, and the arts.

Today, day camp is more vital than ever. To deliver on the Y's commitment to nurture the potential of every child and teen, day camp programs now more intentionally foster achievement, relationships, and belonging. Achievement, relationships, and belonging are essential dimensions of well-being that the Y can cultivate through day camp:

- **ACHIEVEMENT | Discovering skills.** Campers experience achievement when they try different activities, learn what they like, and discover what they are good at.
- **RELATIONSHIPS | Building friendships.** Campers have the opportunity to form healthy relationships with other children, caring adults, and role models, which helps them feel good about themselves and learn to get along with others.
- **BELONGING | Finding a place to belong.** Campers connect through significant camp traditions and rituals that create a sense of belonging, so they feel included, accepted, and part of a community.

SWIMMING

All campers have daily swim lessons Monday through Thursday, and free-swim on Fridays.

DAILY ACTIVITIES

Each week campers will have different activities based on that week's camp theme. However, all camps will include art, STEM, nature, and high energy games throughout the week.

FIELD TRIPS

Campers will have trips to different places in order to enrich their experience.

UNIT 1 - CHIPMUNKS | 5-6 YEARS* CAMPER TO COUNSELOR RATIO 5:1

Through daily experiences and activities, Unit 1 encourages campers to accept and demonstrate caring, honesty, respect, and responsibility in everything they do. These experiences will include songs, skits, arts and crafts, instructional and recreational swims, and nature skills, just to name a few.

***All campers must have completed kindergarten, ask about enrolling your child in Early Education!**

UNIT 2 - CUBS | 7-10 YEARS CAMPER TO COUNSELOR RATIO 10:1

Unit 2 takes our camp program a step further by spending more time in a wider range of camp activities. Campers are encouraged to set new physical and learning goals and to explore new abilities and qualities in themselves.

UNIT 3 - FALCONS | 11-13 YEARS CAMPER TO COUNSELOR RATIO 10:1

Unit 3 develops a sense of community, teamwork, and ownership through individual and team challenges. Through these efforts we hope to provide a solid footing for the pre-teen years ahead. We give campers the opportunity to select special interest activities and encourage them to learn and demonstrate specific program-related skills.

CAMP HARWICH

CAMP ACTIVITIES

We offer a taste of everything at Harwich Day Camp. Our summer is built of camps offering a new experience each week, with focuses on STEM, cultural appreciation, and the arts.

Today, day camp is more vital than ever. To deliver on the Y's commitment to nurture the potential of every child and teen, day camp programs now more intentionally foster achievement, relationships, and belonging. Achievement, relationships, and belonging are essential dimensions of well-being that the Y can cultivate through day camp:

- **ACHIEVEMENT | Discovering skills.** Campers experience achievement when they try different activities, learn what they like, and discover what they are good at.
- **RELATIONSHIPS | Building friendships.** Campers have the opportunity to form healthy relationships with other children, caring adults, and role models, which helps them feel good about themselves and learn to get along with others.
- **BELONGING | Finding a place to belong.** Campers connect through significant camp traditions and rituals that create a sense of belonging, so they feel included, accepted, and part of a community.

DAILY ACTIVITIES

Each week campers will have different activities based on that week's camp theme. However, all camps will include art, STEM, nature, and high energy games throughout the week.

FIELD TRIPS

Campers will have trips to different places in order to enrich their experience.

UNIT 1 - CHIPMUNKS | 5-6 YEARS* CAMPER TO COUNSELOR RATIO 5:1

Through daily experiences and activities, Unit 1 encourages campers to accept and demonstrate caring, honesty, respect, and responsibility in everything they do. These experiences will include songs, skits, arts and crafts, recreational swims, and nature skills, just to name a few.

***All campers must have completed kindergarten, ask about enrolling your child in Early Education!**

UNIT 2 - CUBS | 7-10 YEARS CAMPER TO COUNSELOR RATIO 10:1

Unit 2 takes our camp program a step further by spending more time in a wider range of camp activities. Campers are encouraged to set new physical and learning goals and to explore new abilities and qualities in themselves.

UNIT 3 - FALCONS | 11-13 YEARS CAMPER TO COUNSELOR RATIO 10:1

Unit 3 develops a sense of community, teamwork, and ownership through individual and team challenges. Through these efforts we hope to provide a solid footing for the pre-teen years ahead. We give campers the opportunity to select special interest activities and encourage them to learn and demonstrate specific program-related skills.
