

YMCA Cape Cod
(Licensed Remote Learning Enrichment Program)
Y LEAVES Program
Licensed Essential Academic Virtual Education Support Program

Program Rationale:

EEC licensed providers are ordinarily not permitted to serve school-aged children during the hours of the school day per Massachusetts statute. However, in response to the hybrid and remote instructional models adopted by many districts, COVID-19 Executive Order No. 49 permits EEC licensed providers to operate during the school day and with increased capacity to meet the needs of families with children engaged in remote learning arrangements. An expedited EEC approval process for additional space (new space or converting existing space into classroom space) will occur for EEC licensed programs seeking to serve more school age children during the school day during this time. The YMCA is expanding our space at the YMCA in West Barnstable and Camp Lyndon in Sandwich.

Safety Protocols:

- Students must stay home if they are sick
- Daily Health Attestation – (<https://ymcacapecod.org/wp-content/uploads/Reopening-Questionnaire-002.pdf>)
- Adhere to EEC Health and Safety Standards with respect to:
 - use of face coverings,
 - maintaining discrete groups,
 - promoting physical distancing, and
 - frequent handwashing & hand sanitizing,
- Staff to child ratio of 1:13 with a maximum group size of 26 in accordance with EEC regulations
- Background record checks for each staff member
- Maintaining up to date fire, lead paint, and applicable building inspections
- Single point of entry for drop off & pick up

Cleaning & Sanitizing Protocols:

- The Y is following all CDC best practices for cleaning, sanitizing, and disinfecting regularly.

Remote Learning & Enrichment Activities:

Y LEAVES Program – Grades K-3 (9AM – 3:30PM Wed Only) & Grades 4-5 (8AM-2:40PM M-F)

The Ys' virtual learning spaces will offer staff-supervised, socially distanced environments where children can engage in their remote learning program and in important social interactions with their peers. In addition to helping kids with their specific school curriculum, Y virtual learning spaces will offer enrichment opportunities like STEM, literacy, physical activity (including outdoor play) arts, and performing arts. Virtual spaces will operate in strict adherence to CDC, state and local safety guidelines and feature small cohort sizes, increased cleaning, emphasis on hand washing, mask adoption and physical distancing.

Before School – Grades K-3 (7AM – 9 Wed Only) & Grades 4-5 (7AM - 8 M-F)
After School – Grades K-3 (3:30PM – 6 Wed Only) & Grades 4-5 (2:40PM – 6 M-F)

While the school year may look different than before, the Y's out-of-school time programs continue to be a familiar place where children can be safe, active, learning and engaged during their time out of school—something especially important as children adjust to the many changes related to COVID-19. Through a balanced approach to youth development,

the Y offers socially distanced environments, activities, mentorship, and academic support, helping kids to thrive throughout the school year.
